By Special order no 5, issued
from Head Quarters 2nd Cavalry Regt Arizona, Feb 20/61
I was transferred from Co. H 2nd Cavalry Regt C. to Co
H 1st Cavalry Regt, Artillery, and the order was issued from
the fact that I was without a horse and thought
it improper for me to procure one, and before
the order was received, I was very much disappointed
and at the earnest solicitations of my Capt who
was desirous that I should remain in said Co. H
as 1st Sergt of the same I succeeded in procuring a
horse, I therefore desire to remain in said Co. H
of 2nd Cavalry Regt, as my Capt also represents that he
cannot dispense with my services as 1st Sergt of the same
and as the reason for which I was transferred ceased
to exist before the order was received, and as
I believe that my services will be more valuable
to my Country in the capacity in which I have
acted for the last two years and a half (by as 1st
Sergt of said Co. H), I must respectfully ask that
said Special Order no 57 be rescinded and
be allowed to remain in Co. H of 2nd Cavalry Regt

Court met pursuant to adjournment
took up the case of the Confederate
vs. Edward Helliguish. The detail
went to the prisoner to be offered
specification. The Court was then
summed according to law. The charge
& specification was then read to
prisoner & he pleaded "not guilty".
Prosecution then introduced the
deposition of St. H. W. Whitfield
which was reduced to writing, & numbered
one, & is hereby made a part of
the record. The Court then retired
to consider of their verdict, & having
fully deliberated do find the prisoner
not guilty of the Charge - Guilty of
specification - ~~not~~ Guilty. But the Court
giving proper weight to the mitigating
circumstances shown in evidence have
been compelled to arrive at the conclusion
that the defendant acted ignorantly & in good
faith. The Court therefore conceives themselves
obliged in dropping the prisoner
from opposing any punishment.

Question. Now all that you know
reference to the charge & specification
against Edward Kelleguish, which you have
heard read?

On the 22nd Feb. I gave def a furlough
three days to go to Lynchburg for the
purpose of procuring a horse. He did
return on the 25th of March,
1862, although I am not positive.
Doubt is a good soldier & does his duty
without complaining. I further state
about four days after his Kelleguish
I received a letter from the
book worker stating that Kelleguish
had been thrown from his horse
& was not able to return. I am satisfied
with the thought the book worker letter
affords excuse. There is no physician
more than ten miles from where
Kelleguish resides. The book worker who writes
this is to my knowledge a gentleman of repute &
integrity.

A. C. Capt.

Sir

I have the honor
to inform you that the Lieut Thomas Hogan a Lieut, in
the 1st Regt I.C. has tendered his resignation
of his commission. Hogan is fifty three years of age
and has been unfit for duty since February last
and the attending physician will never be able to resume
duty in the Army.
In view of the above considerations I most
heartily request that his resignation be accepted
and that his place in the Company may be filled
by one who is able to discharge the duties of the
office. He would renew his application but does
not deem it prudent to do so.

I have the honor to be
Very Respectfully
Yours

he had some cattle & the man who

for Col. G.

report -

I have the honor to make the following

On the 28th Oct, after receiving authority from Col
A. T. Haining Comdg Bat. to do so, I sent Lieut M. C. Withers,
with a detachment of men, to Orange County to apprehend some
men who had deserted from my Battery at this place on the
18th Oct. They returned on yesterday, bringing with them

Private J. M. Neab, one of the deserters, who was sent to Houston
today, Charge having been preferred against him for desertion.

Lieut Withers informs me that said Neab and some
six or more other deserters from my Company, one of whom
(Private F. Fuller) has deserted the second time, have joined
a Company being raised in Orange County by a Mr Sealice,
who states that he has authority from the Major Genl, Comdg
to raise a Company of deserters -

I would respectfully request to be instructed whether it is not
my duty to cause the arrest of the other deserters in Mr Sealice's
Company - Some of them deserted while the Battery was under
Marching Orders for Louisiana last summer, and have been
absent since that time -

A few days since I
forwarded to Col A. P. Cheib, Comdg at Middle's Bluff, a
descriptive list of these men, in hopes that he might be
able to cause their arrest. I have reason to believe that
if they are all allowed to go unpunished, it will lead to more
troubles in my Company -

a reply at your
earliest convenience will much oblige

Alabama. I am the youngest and nearest home them either.
Mother wants me at home very badly to protect
the Indians here already been tolerably close and it
will be by the old Rangers they will be very troublesome
in the summer.

Advocate having read the order concerning the

objection to the members of the Court to which
he replied he had none. The court was then
duly sworn by the Judge Advocate & the Judge
Advocate was duly sworn by the Presiding
Officer of the Court in the presence of the
accused. The charges were read aloud by the
Judge Advocate and Judge Advocate asked
the accused - "You have heard the Char-
ges - how say you Guilty or Not Guilty?"

So which the accused pleaded as follows.

"I plead in abatement of the charges &
Specification upon which I am arraigned.
There is not that certainty in them that
would enable me to make a reasonable
defense - as I am not informed of any debt
to my offense - even most vaguely - so
that if sentenced by this Court I could not
plead such sentence in Bar of any future
prosecution for the same offense."

The Court having heard the plea & inter-
tained it - is of the opinion that the pro-
ceedings be quashed on account of the
lack of particularity sufficient to put
the accused on his defense.

I don't know whether he left home. He returned about the twentieth day of February. He was brought to the Company by Capt Norton of Co. The prisoner here is a member of Co. I received a note from Houston, stating that my Wife was very sick. I obtained a furlough from the 18th to 25th of January, and when my furlough was out my Wife became worse and worse and wished me not to leave her, three Days after she Died I was then placed in a very bad circumstance for I had no one to take of my place. I leave three Miles North of Houston, I did not want to touch any of the property, as I had a step son in Wicksburgh, I had written to him of his Mothers sickness and death, I was expecting him home soon, He came, and two days after his arrival, and before we entered into a settlement, the Captain had me arrested as a deserter, I several times spoken to the Captain and also to Lieut Hogan of my circumstances, of which they were well aware I had also written to the Captain once, and sent word down by several of our company
